

Dear Parents, Whānau and Caregivers

Nau mai, haere mai, A very warm welcome to the following students and their families who have started at Paparang School: Anthony Pintor and Luke Jeffery in Uenuku.

Staff News

The Board of Trustees has appointed a new teacher to work in Uenuku for the remainder of the school year. This appointment is to accommodate roll growth in the Year 0/1 area of the school. We are delighted to welcome Hannah Common to the Paparang teaching team. *Introducing Hannah Common ...*

Kia ora! I am excited to be joining the Junior School for the remainder of the year. I completed my teacher training in Wellington in 2016. I have spent the last year and a half teaching in my home town of Nelson. I am moving to Wellington to be closer to my partner, who is based in the city. I have a passion for music, dance and the arts. In my free time, I enjoy completing crafty projects such as embroidery, trying new recipes and listening to live music. I am looking forward to being part of this amazing school!

Maths-athon

Well done to everyone who took part in the Maths-athon. This fundraiser is coming to an end and we would appreciate any donations returned to the school office by Tuesday 11 September at the very latest. We will then be able to organise the prize for the child in each class who raised the most money and spot prizes for other children. Many thanks for your ongoing support! The Maths-athon is raising money for the shade sails. **WOW! Money raised to date: \$3181.80** This means our amazing school community has raised more than \$10,000 so far towards new shelters for outdoor areas. Can't wait for summer!

Onesie Day thank you

There were onesies galore at school today! Thanks to families who made a donation to the Wellington Free Ambulance Appeal, helping to raise \$270.50. Thanks for supporting this worthy cause. Our school has called on the expertise of the ambulance service twice this year and value the work they do in our community.

Orange Day Parade

Today the Road Patrol Team took a bus to Parliament to take part in the Road Patrol March. They walked from Parliament down Lambton Quay through Willis Street to the Michael Fowler Centre. This was a four kilometre walk with hundreds of other children from many other schools. They all came together to celebrate one thing and one thing only - Road Patrol! Orange was the colour of the day to represent Road Patrols. The schools all shared their amazing banners when they arrived at the the Michael Fowler Centre. Thanks to all our Road Patrol wardens and parent Helpers for keeping us safe when we cross Beazley Avenue.

Paparangi School Enrolment Zone

The Board of Trustees has been working with neighbouring schools on implementing an enrolment zone. Schools in our area are experiencing roll growth and to help manage this, enrolment zones are to be implemented. The schools who are proposing new enrolment zones are Bellevue School, Rewa Rewa School, and Paparangi School. Newlands School's current zone is being adjusted accordingly. A notice about the proposed Enrolment Scheme was sent home on Wednesday 22 August and is also on the website or on display in the school office. **Submissions can be made up until midday on Friday 21st September.** The new enrolment zone will take place from January 2019 to begin from the start of the 2019 school year. Students currently enrolled at Paparangi are not affected by the new zone.

Eco-Warriors visit to the Botanical Gardens

On Monday two of the Eco-Warriors went to the Botanical Gardens to represent Paparangi School at the 150th celebration of the gardens. Even though it was wet and cold we had a good time. We met the Mayor of Wellington and planted seeds in a new garden. We learned how important bees are for pollinating the flowers which helps plants to grow food. We had morning tea and then we came back to school early because it was so wet. *By Simon and Roy, Eco-Warriors.*

Paparangi Touch Teams

It's that time of year to register for the upcoming Touch Rugby Season at Alex Moore Park. Touch is a great game where both boys and girls can play. Grades start at year 1/2 all the way up to Year 7/8. Games are 30 minutes long from 4pm (starting with Year 1/2 and Year 3/4) at Alex Moore Park on Mondays. It is a 6 week competition starting on the 29th October and every player gets a prize. Team fees are just \$165 so this will be split evenly between players, approx. \$17-\$20.

Zoe Ede and Bronwyn Jahnke will be taking registrations for a school team. If you are interested in registering your child for Touch, please contact Zoe at zoe_edde@hotmail.com by Wednesday the 26th September. They will also need parent help for the teams so if you are available to help coach or manage a team please let them know. These teams cannot operate without parent support.

If you are not sure if this is for you, next Thursday, the 13th of September from 3-3.45pm, there will be a Touch Taster session on the school field (or hall if wet). Students are encouraged to come along and have a go to see if it is something they might enjoy. Please let Zoe know if your child will be coming along so she knows who to expect. We thank Bronwyn and Zoe for organising Touch Teams on behalf of the school.
